

MAINTENANCE PROBLEMS At Coolidge Junior High School include this gaping hole in the ceiling of an upstairs hallway due to water leakage. Superintendent of Schools B. J. Davis, left, and Ron Landman, maintenance superintendent for the school district, inspect the area which has caused many of the floor tiles to become unglued. The trash can is used to catch most of the rainwater when necessary. A \$2.9 million bond issue will be decided by voters on Oct. 25. Of that amount, \$176,000 has been earmarked for the junior high.

Madison schools will comply with state's 'cease and desist' order

By MICK STRANGE
of the Press-Record

The Madison Board of Education at its Thursday night meeting asked Superintendent of Schools John Palchiff to meet with state and county officials and make a report to the board on corrective measures regarding the reporting of attendance figures and bidding procedures.

"You all have a copy of the two letters from Madison County State's Attorney Nicholas G. Byron concerning attendance records and bidding procedures. Has the board had time to study them?" Palchiff asked.

Board Member Paul Bargiel said, "I move we dispense with the reading of these letters at this time, and they be officially accepted and placed on file."

After the motion carried Bargiel said, "I would now like to move that the superintendent be instructed to immediately contact the Illinois Office of Education (IOE) and devise a method

"We are taking a close look at what the state says has been going on," said Sam Dymas, president of the Madison School Board.

to rectify the attendance record keeping and errors in bidding procedures."

The motion passed and Superintendent Palchiff noted that this would be done by Thursday, Oct. 15, as instructed by the State's Attorney Byron.

Oct. 15 is the date of the next regular board meeting.

Superintendent Palchiff said, "I will give a copy of the letters to the press after the board meeting so that they are public information."

Bargiel commented that, "The formula the state sets really creates the problem. Money districts receive is based on attendance at school."

"This forces the districts in the state

to push attendance, which is fine; but there is no law on the books with any teeth in it to induce anyone to comply. You can't put the students or parents in jail. The penalty for a student not attending is just not adequate," Bargiel commented.

Board Member Bargiel is also a detective sergeant on the Madison police force.

One board member commented that all the State Office of Education regulations states is that the district shall keep true and accurate records, but there are no guidelines given as to how the attendance records should be kept.

Board President Sam Dymas com-

mented, "We are going to look into this entire matter in depth and if someone is directly responsible for this problem, then the board will have to take serious action."

Dymas went on to comment, "I can not understand how this has been going on for an alleged 12 years or so and the state school auditors have just now caught the error. If there were flagrant errors in the attendance records why were they not discovered before now?"

The text of the letter concerning attendance is as follows:

In re: Attendance Records of the Madison School District No. 12.

Dear Mr. Palchiff:

As you are aware, the Illinois Department of Law Enforcement has been investigating the maintenance of attendance records of pupils of schools within Madison School District No. 12. The results of its investigation indicate that there have been systematic and

Bond issue would save energy cost by remodeling GC schools

By BILL WINTER
of the Press-Record

Granite City school officials have planned a school renovation program that not only can preserve deteriorating classroom buildings but also can conserve on fuel use and costs, they are saying in talks to local groups.

A \$2,900,000 bond issue for remodeling work is being submitted to voters Saturday, Oct. 25, along with a proposed ten-cent change in the building fund tax rate limit, from the present 37½ cents to 47½. The bonds involve about 24 cents per \$100 assessed valuation.

The 36-cent total is less than the 37.2 cents eliminated by the school district a year ago in retiring the 1968 bond issue, it is being pointed out.

Energy conservation and savings will result from many aspects of the remodeling program, school speakers say.

Included will be better insulation, achieved through new roofs and improved walls; conversion of remaining incandescent lights to fluorescent lighting; replacing of aging and sometimes rotting windows with aluminum-framed window units; and installation of new furnaces.

The special election involves 112 remodeling and improvement projects at 19 buildings.

There will be a single ballot question on the renovation work, which consists of 79 projects at elementary schools, 20 at high schools, 12 at junior high schools

and one at the Board of Education office.

Also on the ballot will be a question on whether to alter the present tax rate ceiling for the operations, building and maintenance fund.

No school in the system has been left out of the list of proposed improvements, but the total has been trimmed wherever possible. All items included in the list have been urged by both the school staffs and members of the Citizens Advisory Council, a group that advises the Board of Education. The CAC is composed of represen-

tatives of many organizations in Granite City, Nameeki and Chouteau townships.

A breakdown of the 112 projects costing \$2,900,000 shows 12 roofing installations amounting to \$650,000, two remodeling programs totaling \$600,000 and four heating and cooling projects costing \$330,000.

Other project totals and cost estimates are: restrooms and locker room improvements, eight, \$195,000; ceiling and lighting projects, 17, costing

Anti-slumlord proposal

By BILL WINTER
of the Press-Record

Of the two Illinois Constitutional amendments on the Nov. 4 ballot, most discussions have centered on Article IV, involving the proposed shrinking of the Illinois House of Representatives.

But the potential revision of Article IX also has a major impact, proponents say. It would seek to fight "slumlords" by reducing the redemption period following the sale of property for unpaid taxes.

Not only is former Secretary of State Michael J. Howlett (D) serving as chairman of the pro-amendment Committee to End Illinois Tax Abuse, but also active on the committee are three former Illinois governors as honorary committee chairmen. They are Richard B. Ogilvie (R), Samuel H. Shapiro (D) and William G. Stratton (R).

If that degree of bipartisan support is not enough, the group of advocates also includes the League of Women Voters, the Illinois State Chamber of Commerce and the executive board of the Illinois County Treasurers Association.

Howlett told the Press-Record and other news representatives that "the blue ballot amendment to reduce the redemption period after Scavenger Act sales deserves the support of every newspaper, every civic organization and every taxpayer in Illinois."

"It will inconvenience the slumlords, who collect rents, let their properties deteriorate and ignore their taxes year after year."

"Everybody else will benefit by amending the current Section 8 of Article IX of the State Constitution," Howlett asserted.

"Section 8 now gives real estate owners a two-year right of redemption from sales for tax delinquency. The amendment being decided Nov. 4 would allow the legislature to reduce the redemption periods—but not to less than 90 days—for property that is five years delinquent."

"Distressed widows, senior citizens and handicapped persons trying to save their homes would not be threatened. The amendment does not apply to single-family dwellings, farms or small apartment buildings."

"It applies only to commercial, industrial and vacant non-farm properties and buildings of seven or more units. It is aimed at deliberate tax dodgers."

"When real estate owners refuse to pay their share of government costs, the conscientious taxpayers are unfairly burdened. The same people who let taxes go, also let maintenance go while their properties increasingly blight the whole neighborhood."

"Prospective buyers need an incentive to bid at a Scavenger auction."

Who would buy a rundown property and invest money to fix it up if he has to wait two years without knowing he will ever obtain title?

"A 'Yes' vote on the amendment Nov. 4 will change things for the better. This issue is too important to be lost among all the decisions that voters must make on election day," Howlett concluded.

The former secretary of state, who won the Democratic nomination for governor in 1976, is now a government relations consultant.

Howlett notes that the tax redemption

\$50,000 in vandalism at N. High

Preliminary estimates of damages run as high as \$50,000 from a break-in and vandalism at Granite City High School North, which was discovered at 6:10 a.m. today, the beginning of homecoming week at the school.

Entry was gained by breaking a double-pane window at the front of the school. All of the windows on the front of the building along the hall adjacent to the central offices were broken.

Once inside, the burglar or burglars broke into several rooms and ransacked them. Entered were the science laboratory, vocal room, cafeteria, library and classroom 323.

The microfilm viewer and photo copier machine in the library were damaged and the office ransacked. All of the windows surrounding the library were sprayed with paint.

Two soda machines and a juke box in other areas were also damaged and money removed from them.

Superintendent of Schools B. J. Davis was escorted through the damaged areas early today by Gilbert Walsley, principal of the vandalized school, and Ron Landman, maintenance superintendent for the school district. The science laboratory was one of the more heavily damaged rooms as equipment was toppled, supplies strewn about the room and valves on

OLD MADISON JUNIOR HIGH SCHOOL building on Third Street is inspected Friday by a team from the Illinois State Board of Education Department of Adult Vocational and Technical Education (DAVTE). The team went through the building room by room, and will offer to the Madison School Board suggestions on how the building, or part of it, can be used to increase the vocational skills program. From left are:

Linda Lafferty, Robert O. Metzger, and Vesta Morgan, all with the Consultant Services Section of DAVTE, E. Stanley Howlett (behind Morgan) advisory board member of DAVTE, and Wade James, assistant superintendent of schools in Madison. The group is discussing the taking out of the old bleachers. The gym area is considered almost ideal for auto repair and welding shops.

Traffic deaths up 163%

By HARRY BARNES
of the Press-Record

Twenty-nine persons have died in Quad-City area traffic accidents during the first nine months of this year—an increase of 163 percent over the 11 traffic deaths at the same period last year, statistics compiled by the Press-Record reveal.

At the same time, the number of accidents in the area dropped 40.5 percent during the first nine months of the year, while the number of persons injured in those accidents declined 41.5 percent.

Records show that 45 persons were injured in 35 accidents occurring in the Quad-City area during September, compared with 71 persons injured in 52 accidents in the same month a year ago.

These figures brought to 398 the total number of persons injured in 276 accidents this year.

At the same time last year, 600 persons were injured in 448 accidents. For statistical purposes, only those accidents in which there are injuries are listed. Accidents in which there is property damage only are not included.

A total of 29 persons died in traffic accidents during the nine months of this year, 13 of them in August and September. There were seven fatal accidents in August and six fatalities in September.

Last year there were no fatal accidents in August and one in September.

There were two months—February and March—in which there were no fatalities during the nine months of 1980, compared to two months—April

22-year-old charged in burglary of tavern

Robert G. Theis Jr., 22, of 2147 rear Lee Ave., was charged with a felony count of burglary in an informational document issued by the Madison County state's attorney's office last week in connection with a burglary Tuesday morning at the Wayside Tavern, 2160 Washington Ave.

Police responded to an alarm at the tavern and found the rear door to the

storage area open and a case of beer outside the door. This allegedly was found hiding inside the walk-in cooler. He was handcuffed and was taken outside. Officers said Theis told them he was alone. Police searched the remainder of the storeroom area.

Entry was gained by prying the lock and, breaking the hasp. However, it is not believed entry was gained to the barroom area, since a locked door between the barroom and the storage area was still secured when police arrived.

Theis was booked at the Granite City Police Building and was placed in jail until early Wednesday, when he was transferred to the Madison County Jail at Edwardsville in lieu of \$30,000 bond.

FINED FOR THEFT

Timothy G. Bowman, 19, of 4734 Lake Drive has been fined \$170 by Circuit Judge A. A. Mateosian for petty theft occurring July 15. Pontoon Beach police alleged cigarettes were taken from the Pontoon Fina service station, 3900 Pontoon Road.

Argument leads to head injury

Danny Poe, 21, of 2433 Logan Ave., was admitted to St. Elizabeth Medical Center last week after sustaining injuries to the head and right hand in an argument.

Police were called to Victor's Tavern, 2001 Illinois Ave., at 10:45 p.m. and found Poe lying on the floor, bleeding from the head. The injured man said he had got into an argument with another man who had struck him in the head with a beer mug. Poe had sutures taken in the wounds before being admitted.

Diabetic treatment at SEMC

Teaching patients is a regular part of diabetic treatment at SEMC. According to Stephanie Denny, patient education coordinator, "My job is to help patients to understand their disease and the part they play in their care."

She conducts weekly diabetic classes in which she explains what diabetes is, the complications of the disease and home care, including foot care in particular. Urine testing and insulin injection technique is taught by floor nurses and these procedures are reviewed by the instructor in case there are further questions.

"I emphasize to my patients that diet is the main therapy," she says. Working with her is Dietician Excy Basuel, who conducts

nutrition classes twice a week for diabetics. Part of her teaching includes a booklet of exchange foods and an array of plastic foods. "I explain how to use the food exchange lists and then I let the patients plan their meals, using the plastic foods, so I can see whether they understand how to do it."

Excy Basuel also gives patients information about how to plan for special circumstances, such as long distance travel, when food may be less available or when a patient is sick and unable to eat as usual.

She says that she likes to include family members in the classes. "A patient needs all the support he can get from his family," she says. Although patients are referred by their physicians

to the diabetic classes while they are patients at the Medical Center, they are encouraged to call either instructor if they have questions after discharge, Stephanie Denny says. There is no charge to the patient for these classes.

The diabetic teaching program is further supported with closed circuit television at SEMC, which offers programs three times a week for diabetics about skin care and diet.

A diabetic community program will be presented at SEMC on Tuesday, Oct. 7 from 7 to 9 p.m. in the Ketteler Gymnasium. The program sponsored by the Madison County Branch, American Diabetes Association, Greater St. Louis Affiliate, in cooperation with SEMC, will feature Dr. Marvin E. Levin, associate director, diabetes clinic, associate professor of clinical medicine, Washington University School of Medicine.

The program will include a basic history of diabetes, treatment and management of diabetes, home blood glucose monitoring, as well as a discussion of research, including portable pumps and pancreas transplants. The presentation will be followed by a question and answer period.

Reservations for the program may be made by calling the Public Relations Department, 798-3167.

A "Music Gala" presented by Mayor Paul Schuler will be staged in Granite City today and through the week.

The event is being presented by the mayor as an Oktoberfest for the entertainment of the people at Civic Park, 20th Street and Niedringhaus Avenue.

Food consisting of bratwurst, Italian sausage and refreshments will be available for purchase.

The schedule of events will include:
Monday and Tuesday, John Fornaszewski's "Musical Delights."
Wednesday and Thursday, The Liechtenstein German band.
Friday, Howard Bollen and Stagecoach.

LaFollette to give talk

Douglas LaFollette, assistant professor of chemistry and ecology at the University of Wisconsin, will give a lecture at SIUE Oct. 15, in Meridian Ballroom of the University Center at 8 p.m.

Tickets are \$2 for students and \$3 for non-students. As an author, activist, teacher and politician, LaFollette examines the futuristic warnings of George Orwell and attempts to show that the world is on its way to the final countdown of 1984.

Thirty years ago, Orwell wrote "1984," called an alarming, prophetic vision of the future. In it he forecast that the world would be dominated by a totalitarian state headed by "Big Brother." LaFollette feels that "Big Brotherism" is just one part of the picture that may develop in the coming years.

"Other factors, such as the energy crisis, the rising power of the Third World, the nuclear arms race, the destruction of species, and the environmental raise possibilities unanticipated by George Orwell," LaFollette adds.

Orders for tulip bulbs from Holland still may be placed by calling the Tri-Cities Area Chamber of Commerce at 876-4400 during regular office hours.

A total of 6,000 bulbs will be received, probably this week, from the Langeveld Bulb Co. in Lisse, Holland, for distribution here as part of the Chamber Women's Division community beautification program.

The bulbs will be available in packages of 20 bulbs, all of a single color, costing \$5 each package.

If sold separately, each of the bulbs is worth more than 60 cents, according to Jo Meyer, Beautification Committee chairman.

Each purchaser of a package of bulbs will receive a colored brochure describing the method and time for planting the various species, Mrs. Meyer said.

Mr. and Mrs. Michael Toundas, 1901 Pontoon Road, returned last week from a 16-day holiday in the French Polynesian Islands.

The couple traveled to the South Pacific from Los Angeles on the French UTA Airlines, staying in Tahiti, but also visiting the islands of Bora Bora, Moorea and Huahine.

A trip to the island of Raiatea was planned, but the aircraft on which the Granite City couple was flying, was forced to return to Tahiti when its flap failed to activate properly and a longer runway was required to land safely, Mrs. Toundas said.

She noted that on Bora Bora the same landing strip built by American troops in World War II still is used, but now for commercial flights. The islands are beautiful.

"WE SERVICE WHAT WE SELL"

"people make the difference."

At First Bank, the formula for growth has always been customer service with a capital 'S'. For that reason more than two years ago, First Bank applied for approval to establish a remote banking facility in the Bellemore Village Shopping Center.

Now you can do your banking at either our Bellemore facility or at our main bank downtown, whichever is most convenient for you. And you do not need to transfer your accounts to do so.

I am pleased and proud to have been selected to manage our Bellemore facility, and of a great staff of experienced people to serve you. We can handle all your routine banking here such as deposits and cashing and issuing checks, drafts and money orders. We can even receive your loan payments. And, you can bank on receiving customer service—with a capital 'S'.

Bond Issue

(Continued from Page 1)

\$120,000; bleacher installation, one, \$100,000; tuckpointing, eight, \$90,000; playground and driveway projects, five, \$88,000; window projects, five, \$80,000; school floors, 12, costing \$75,000.

Burglar alarms, 12 schools, \$55,000; fire suppression systems, 14, costing \$47,000; exterior wall projects, three, \$40,000; electrical work, nine schools, \$30,000; and contingencies and fees, \$350,000.

The work, and purchases totaling \$2,800,000 to be financed from bond issue proceeds do not include another \$887,953 already completed or under contract (\$439,528 heating units, \$290,638 roofing, \$60,688 heating line, \$54,659 playground and driveway work, and \$13,240 automotive shop installation).

The latter remodeling costs were financed with proceeds from sale of McKinley School and interest earned on previous bond and interest fund investments. By performing this work without bond borrowing, the school district saved \$60,056 (assuming seven percent interest).

School officials assert there is an overpowering need for the renovations included in the Oct. 25 proposal.

Major items include reconstruction of the Mitchell School kitchen and Granite City High School South science rooms, offices and counseling areas.

Heating-cooling work is scheduled for Johnson School and South, and bleachers for South. Also listed for

GCHS South are roofing for the gymnasium and slate roof area, tuckpointing, electrical work, temperature controls, office air-conditioning, exterior wall work, flooring, ceilings, lights, lockers, locker rooms and burglar alarms.

Granite City High School North projects are the east wing roof, walls, floors, locker rooms, fire suppression and playgrounds and drives.

Prather Junior High work is to include tuckpointing, flooring and locker rooms.

At Grigsby Junior High School, the projects involve roofing and fire suppression.

The Coolidge Junior High list consists of roofing, tuckpointing, windows, walls, ceilings, lights and locker rooms.

At the school board office, roof installation is planned.

Projects at School District Nine's grade schools follow:

Emerson—roof, windows, electrical, alarms, fire suppression.

Frohardt—electrical, flooring, lights, alarms, fire suppression.

Johnson—roof, electrical, heating, cooling, carpeting, playgrounds and drives.

Lake—flooring, alarms, fire suppression.

Logan—roof, electrical, floor, ceilings, lights, alarms, fire suppression, playgrounds and drives.

Marshall—roof, tuckpointing, floor, ceiling, lights, alarms and fire suppression.

Maryville—lights, alarms, fire suppression, playgrounds and drives.

Mitchell—roof for the gymnasium and new addition, tuckpointing, windows, gymnasium electrical work, kitchen remodeling, restrooms and fire suppression.

Nameeki—roof, tuckpointing, windows, electrical, floor, ceilings, lights, restrooms, alarms and fire suppression.

Niedringhaus—windows, electrical, ceilings, lights, restrooms, burglar alarms, fire suppression, playgrounds and drives.

Parkview—carpeting, alarms and fire suppression.

Webster—roof, tuckpointing, floor, ceilings, lights, alarms and fire suppression.

And Wilson School—tuckpointing, electrical work, lighting, burglar alarms and a fire suppression system.

amendment was approved unanimously by the Senate of the Illinois House, only 10 of the 177 representatives voted against it.

One of the opponents, Rep. Webster Borchers (R, Decatur) said, "Ninety days isn't long enough. It should be six months at the very least."

Howell noted that 90 days would be the minimum and that legislators could change the two-year period either to 90 days or some other length of time they consider reasonable; but there could be no change without voters' approval of the amendment.

Fahner reception in county tonight

Illinois Attorney General Tyrone C. Fahner will appear at a reception to be held in his honor tonight at 6:30 at the Collinsville Holiday Inn, Interstate 70 and Route 157.

Fahner, appointed to replace Wm. Scott, said he welcomes the chance to come to Downstate Illinois and meet the people of this area.

The reception, sponsored by the Dave O'Neal for Senate campaign and the Don Weber for state's attorney campaign, will cost \$25 per person and feature an address by the attorney general.

Master of ceremonies for the event is Marshall H. Smith, an East Alton attorney.

Tickets may be purchased at the door or by contacting Smith's office, 258-3310, or the Weber campaign headquarters, 344-0095 or 344-1322.

Auditions slated for free concerts. Auditions for the SUE Center Stage programs will be held tomorrow, Wednesday and Thursday from 3:30 to 5:30 p.m. in the University Center's Mississippi Room.

Noncampus and campus talent/may audition by presenting a 10 to 15-minute program. Performers must provide their own accompaniment, but a piano will be available.

Sponsored by the University Center Board, Center Stage is a series of free concerts presented on alternating Tuesdays at 11:30 a.m. in the Deja Vu Room of the University Center. Any type of dancing, singing comedy or magic act will be considered. Performers will be chosen by the UCB and are not paid.

Six more contestants seek Jr. Miss crown

By VALERIE EVENDEN
of the Press-Record
Granite City senior high school girls participating in the 1981 Junior Miss competition are taking part in a nationwide scholarship program to recognize, reward and encourage excellence in our young people, Sharold Young, pageant director, said today.

The local Junior Miss Pageant will be staged at 6:30 p.m. Sunday, Oct. 11, in the auditorium at Granite City High School South.

Twenty-one girls, representing both Granite City high schools, will compete for the Junior Miss title and a chance to advance to state competition in Bollingbrook, Ill., Dec. 6 and Dec. 7.

The Press-Record today features the six remaining candidates. The newspaper has published the photographs and biographies of 15 other contestants in previous issues.

Tickets for the pageant may be purchased in advance from the candidates, costing \$2 for adults and \$1 for students, or may be obtained at the door Sunday night.

Cliff St. James, KSDK-TV personality, will serve as master-of-ceremonies for the local contest.

Each year since 1958, the Junior Miss program has selected the nation's outstanding high school senior girl from among thousands of young women in hundreds of communities in all 50 states, Mrs. Young said.

America's Junior Miss, Inc. is a non-profit corporation supported by concerned parents, educators, civic groups, business and government, the local director explained.

Some \$2 million in college scholarships, cash and other awards are made available to Junior Miss contestants from colleges, businesses and local, state and national sponsors.

The winner of the Granite City Junior Miss title will receive a \$2,000 scholarship to Huntington College in Montgomery, Ala., and a \$500 cash award.

Each of four runners-up will be presented a \$50 U.S. Savings Bond and all con-

testants will receive an array of gifts, ranging from dinners and flowers to certificates and trophies.

The young women featured in today's segment are:

Janet Renae Fox, daughter of Joseph and Wilma Fox, attends Granite City High School South. She is active in the South Leaders Athletic Club, the Westlakes and Red Peppers and is co-captain of the Pom-Pon Squad.

Janet hopes to attend the University of Illinois and work toward a career in the medical field. Her other interests include swimming, tennis, reading, music, dancing, theater and singing. She takes private vocal lessons and last year performed in "Sound of Music," a high school presentation.

Desiree Michelle Gargac is the daughter of Stephen and Gail Gargac and a student at Granite City High School South. She is an active member of the Pom-Pon Squad, Acting Club, International Thespians Society, Community Theatre Group and the South Leadership Athletic Club.

Desiree plans to attend Southern Illinois University at Edwardsville and pursue a career in the secretarial field, which she believes can open doors to other opportunities. She enjoys dancing, acting and secretarial work and appeared in the South homecoming play.

Lia Lea Hudson is the daughter of Leon and Mary Lou Hudson. She attends Granite City High School North where she is a member of the National Honor Society, Future Secretaries Association, Social Studies Club, Peppermint Players, advanced acting class and the Silver Spirits.

Lia intends to enroll at Southern Illinois University at Edwardsville to attain a career in business management. Her ambition is to manage a store. Among her hobbies are swimming, bike-riding, hiking, camping, canoeing, playing the piano and saxophone, acting and working with sign language.

Deborah Kay Lewis is the daughter of Kenneth and Patsy Lewis. She is a student at Granite City High School North and is active in the Future Homemakers of

America, Social Studies Club, Quill and Scroll and Journalism. She is a member of the North Star staff.

Deborah plans to attend the Hickey Secretarial School and pursue a career in the secretarial field. Her interests focus on horseback riding, swimming, camping, skating, sewing, volleyball, softball, hiking, fishing and the speech team.

Julia Althea Ross, daughter of Owen and Marlene Ross, is a student at Granite City High School South. She is active in Wrestling and belongs to the Band Letterman's Club, Red Peppers, track team and Job's Daughters. She is co-captain of the South Flag Squad.

Julia intends to become an airline stewardess and plans to attend Belleville Area College to help her attain her goal. Her hobbies include camping, running, swimming, writing, dancing, art, singing and playing the drums. She is a member of Explorer Post 1033.

Kelly Dawn Vaughan is the daughter of Francis and Eleanor Vaughan and a student at Granite City High School South, where her activities include two years as a hockey cheerleader. She has performed in the Folli-Fashion show, several school sports and is a member of the Pep Club.

Kelly also is active in basketball, tennis, swimming and dancing. She has taken modeling lessons for more than two years and frequently models in fashion shows and for stores. She enjoys working with makeup and hair and hopes to attend a beauty college to become a cosmetologist.

The other contestants in Sunday's Junior Miss Pageant are:

Laura Lynn Chappell, Theresa Lynn Harp, Cheryl Denise Hutchings, Ellen Delene Rogers, Lia Lynn Salein, Karen Ellen Spencer, Michelle Renee Valencia, Gay Elizabeth Wright.

Karen June Cook, Mary Margaret Koepfer, Cheryl Lynn McIlvay, Mary Elizabeth Pennell, Loretta Joyce Rutledge, Sandra Ellen Tudor and Donna Elissa Wilson.

One-day, one-trial juries to start in county today

The system of jury selection which is known as "one-day" or "one-trial" will begin today in the Madison County Courthouse in Edwardsville.

The system was initiated in Granite City Area Court Jan. 14 and court officials say it has proven to be a success.

There are several advantages to this system, according to Chief Judge Horace Galvo of Granite City.

—It eliminates the seeming waste of time when a jury is called for a two-week jury service and not selected on a jury panel during that period.

—It will be easier for juror and court to coordinate the best time for the juror to serve.

—This method can be of great assistance for employers and employees.

—The use of this system in other areas throughout the country has indicated a cost saving when fully implemented in the courts.

The jury summons received by the prospective juror will tell him or her when to report for jury service or that he or she is on call for jury service and will

receive a telephone call as to when to report for service, Galvo said.

If a person is chosen on a jury panel he will serve until the conclusion of this one

trial and then he will have completed his jury service. If a person is not selected for a jury panel, he has completed his jury service.

DeMolay 'Weekend to Remember' discussed

Eleven DeMolays, four advisors and four mothers club members from James Stuart Chapter, Order of DeMolay, attended a District 16 meeting at the Edwardsville Masonic Temple, last week, where the DeMolay "weekend to remember."

Oct. 18-19, was discussed. On Saturday, Oct. 18, Alnad Temple will sponsor a Grand Master William C. Chasey Class with initiatory and DeMolay degrees being conferred on young men from Southern Illinois.

Saturday evening Alnad Chapter will host a state master councilor dinner and reception for Gerald Kelly, Illinois DeMolay State Master Councilor, and the Egyptian Preceptory Legion of Honor will confer the Legion of Honor degrees upon designates from Southern Illinois. Designates from James Stuart Chapter are: for the Active Legion of Honor, William F. Kinder and if DeMolay and for the Honorary Legion of Honor, Luther R. Smith. All of the events will be at The Scottish Rite Cathedral, 1267 North 57th St. (off Illinois 161), Belleville. William C. Chasey of Allentown, Pa., the grand master of the International Order of

DeMolay will be the guest of honor.

Richard Miller, master councilor-elect, from the local chapter remarked that petitions for the Saturday class would be accepted at the chapter's Oct. 7 meeting and urged members to get their petitions to that meeting.

Other DeMolays at the meeting were: Pat Gibbs, Darrell Gibbs, Darren Miller, Gerald Singleton Jr., Neal Miller, Antonio Narvaez, Steve Smith, David Smith, Jimmy Stuart, and Fred Trebing; advisors Ellis N. Hackney Jr., William B. Berger, Charles A. Meyer and Charles Mize; mother's club members Liz Gibbs, Lois Hebblethwaite, Jo Meyer and Mary Stuart.

DISORDERLY CHARGE: George M. Geddie, 29, of 2404 Illinois Ave., was charged with disorderly conduct last week after allegedly entering the apartment of a woman living in the 800 block of Niedringhaus Avenue, cursing the woman and a friend and refusing to leave. He was released on payment of a \$35 cash bond.

Foil gas theft, but car burns

An attempt to steal gasoline from a car lead to a fire which accidentally burned an innocent teenager in Pontoon Beach last week.

Jerry Tipton, 19, of 3 Queensbury Court, Pontoon Beach, Tina Spiroff, 16, of 5 Queensbury Court, and other friends were passing the home of Gerald Grasso, 6 Nelson Drive, when they saw a boy about 15 years old under Grasso's 1974 Ford Maverick.

They yelled at the boy, who ran toward Breckenridge Lane, authorities were told.

The teens then looked under Grasso's auto and

found a two gallon can. Miss Spiroff lit a cigarette lighter so Tipton could see under the car and the flame ignited gasoline fumes, singing Tipton's arm, which was under the car.

The auto immediately burst into flames. Long Lake volunteer firemen extinguished the blaze, but the car was destroyed. It is believed the youth seen under the auto cut the gasoline line from the tank to the engine and was filling the gas can as the gasoline drained out.

Tipton declined to be taken to the medical center.

L. E. Sidener awards two full scholarships

Two full-tuition scholarships were recently awarded by L. E. Sidener of Sidener Supply Co., Granite City, at the State Water and Sewer Operator meetings held in September.

One award was given to a student from Illinois and another to a student from Missouri. The scholarships are to the Water and Wastewater Technical School at Neshio, Mo.

Upon completion of the 48-week course, the student will receive a certificate and will be classified to operate a water and wastewater treatment plant. The two students selected from a list of applicants were:

Illinois—James E. Langheim, 18, graduate of Tri-City High in Buffalo, Ill. Langheim is a resident of Mechanicsville, Ill.

Missouri—Mary K. Richards, 18, graduate of Sarcosie High School in Sarcosie, Mo. Miss Richards is a resident of Wentworth, Mo.

In making the awards for the first time, Sidener announced that this would be done annually, and the presentations will be made at the State Water and Sewer Operator meetings held in September.

Langheim's father works for the Taylorville, Ill., Sanitary District and has a

Dance Club to meet Sunday

The Midwestern United States Imperial Club of Edwardsville is an organization for beginning and experienced disco dancers will meet at 7 p.m. Sunday, Oct. 12, at The Well Community Center in the Cottonwood subdivision, Glen Carbon.

The business session will be followed by dance lessons and general dancing under the supervision of experienced teachers.

The Imperial Club has members of all ages ranging from 16 to 60 and is open to interested dancers and those who wish to learn disco dancing, according to the announcement.

Cost is set at \$1.50 per meeting for non-members and \$1 for members. For more information those interested are advised to call Neil Mahlandt at 398-7099 or Carol Litteken at 397-0585.

class II operator's certificate. Langheim said he would like to pursue a career in the water and wastewater field by first securing a certificate and then a bachelor's degree in environmental health.

Miss Richards' uncle, John Hayes, is chief operator for the National Park Service in Van Buren, Mo. She says her goals are to complete studies at the water and wastewater technical school, obtain a position in the wastewater field and work her way into a management position.

Pack 7 takes trail hike

Boy Scouts of Troop 7, St. Joseph's Catholic Church, took a ten-mile circular trail through Forest Park, during the weekend. Leadership Corps Member, Scout Richard Schierling served as "trailmaster" for hike.

This scout trail is operated by Camping Service Unit of St. Louis Area Council, Boy Scouts of America and was established to help tell the story of the Louisiana Purchase Exposition held in St. Louis in 1904.

Points of interest on trail hike include: McDonnell Planetarium, Mounted Police stables, Jewel Box, World Fair Pavilion, St. Louis Zoo, Washington University and Jefferson Memorial.

The hike enabled scouts to meet requirements in earning merit badges by answering 20 questions concerning points of interest on Troop 7.

Scouts ate lunch and visited some of the animals while at the St. Louis Zoo.

The 8th annual St. Louis hot air balloon race was held the same day as hike and the group witnessed more than 30 balloons take off in race.

Scouts watched team members get balloon ready for the Sky Diving Show, performed by Spirit of St. Louis Sky Diving Team. The team bailed out at 8,000 feet with four divers making three near perfect landings.

One diver landing some 100 yards off target. The activities ended with a dinner at Burger King.

Attending were leadership corps members Phil Kimbrell, Reuben Garcia, Richard Schierling, Flaming Arrow Patrol, Kevin Williamson, Jim Whitsett and James Barron. Cobra Patrol, Jim Harper, Jeff Kittel, Mark Brazel and Mike Mainbridge and Panther Patrol, Karl Markovich Jr., Steve Falbe and Mike Brazel.

Tired Steelers drop 3-1 decision to Kahoks

By RICK WELLE
for the Press-Record
GRANITE CITY — Granite City North soccer coach Bob Kuehler looked more like a field marshal standing atop his team's bench. His long, thin body stood straight against abating wind at the North soccer field Saturday afternoon.

But Kuehler was battle weary. His eyes were still seeing Granite South red when he had to face the purple hearts of Collinsville.

And it was just too much. The Kahoks defeated the Steelers 3-1.

There was no scoreless tie at the end of regulation, as when the Kahoks defeated the Steelers 1-0 in the sectional tournament last year. There were no overtimes, nor penalty kicks. There weren't even very many North players from last year — just a young Steelers team.

But for Collinsville, the victory seemed just as sweet.

The Kahoks set the tone early. Very early. Like right from the start. Collinsville came from midfield at the first whistle, moved down the left sideline, and saw to it there would be no scoreless tie. Billy Lane was the man to start it. He swung wide on the left wing, spread out the North defense and crossed a pass over to Jay Hook. Hook took the perfect setup right in front and blasted goal number one past North goalie Rob Chapman. The scoreboard showed only 29 seconds gone.

"We were never in it," Kehoe said shortly after the game. His team was sitting quietly on the field, waiting for its general to dismiss the troops. "They got that first goal right from the start. I told them, You're flat. You're not alive. You're not into it mentally."

Thursday night, the North-South Festival in Granite ended in a 2-1 win for South (see related story). The game left North drained. "We've had the same problem the last two or three years. Somehow or another we always meet Collinsville after South. And it doesn't seem like the boys have anything left to put out," Kehoe said.

"I don't mean to shortchange Collinsville. I saw them play CBC and although they lost (5-2), I felt they played a strong game. I said before the game Collinsville's a good team."

"But it was almost like a chore to play the game. It was too much to ask the kids. To come off the South game and play Collinsville," Kehoe said.

From the perspective of the Kahoks, however, the game was a solid performance. Collinsville's defense seemed to dominate most of the game, especially after North scored its only goal.

Paul Barrington took the ball for North at his own end of the field and fired out on the transition for the Steelers. He laid a pass over to sophomore Benny Nolan who was all alone about ten yards out.

The goal came at 14:18. Just about all the other 65 minutes seemed to belong to the Kahoks. The only other time North threatened was on speedy transitions as in its lone goal. But Collinsville was even picking those up. "All the quickness in the world is of no value if you don't control the ball," Kehoe said.

The Kahoks DID control the ball. Todd Sachleben scored the only other goal Collinsville really needed. Matt Massa showed a little sparkle on his footwork, cross to "Socks" about 15 yards in front of the goal. And the rest is history. Sachleben ripped a waist-high shot that nicked the right post and went in at 22:00 of the third period.

Massa took the final honors in the second half after Hook and Lane demonstrated the same passing skills that put the Kahoks on top from the start. Massa got the ball 15 yards in front of the Steele goal with nothing but daylight between him and the net. All he had to do was kick it.

"Your opponents always have something to say about the outcome of the game," Kehoe said. "They play their system well. They know where to find each other. And know where they're supposed to be."

Collinsville coach Jim Stray could not be reached for comment.

North dropped to 6-3-2 on the season. The Kahoks are 12-3 but lost a 12-0 against Illinois teams.

Cougars win state cup

Special to the Press-Record
DE KALB — The Southern Illinois University-Edwardsville Cougars romped to an apparently easy 3-0 victory over the Panthers of Eastern Illinois in the final of the 10th annual Governors Soccer Cup tournament here Saturday night. It was SIUE's fifth straight crown and sixth overall since the meet got under way in 1972.

But the victory was far from an easy one even though the Cougar kickers of veterans SIUE coach Bob Guelker did score all three of the tallies in the game's first half. It was a bruising, hard-fought battle, like most family affairs are.

First, the Cougars lost the service after 27 minutes of play of their lanky goalkeeper, Ed Gettemeier, who was kicked in the neck on back of his right ear and was knocked out. He had to be carried from the field in an ambulance and remained in DeKalb overnight.

Mark Downer, with whom Gettemeier shares keeping duties on an alternating game basis, finished out the game and

preserved the hard-fought shutout architected by a new defensive lineup put together for Friday's opening 4-0 victory over the host Huskies by Guelker and his assistant, Rick Benben.

The move was forced by the absence of veterans defender, Terry Trushel, out of both games because of a broken toe, and the need to move Tim Guelker up front to beef up the Cougars' scoring line. The new defense, SIUE had smooth and cool-playing Steve Gauvain at sweeper; Pat Malloy and his long throw-in as one of the fullback slots, and Mike Twelman and Tom Gorkak at the halfback berths. All the while it was Leo Bourneuf, who quickly is playing like a veteran, and Joe Howe. Starting at the forward positions it is Matt Malloy, Mike Gauvain and Steve Schell.

In the championship game Saturday night, it was obvious from the opening minute that the game was going to be bitterly fought. At 1:41 big and burly Mike Gauvain bored straight toward the Eastern goal with the Panthers'

defender, George Huff in hot pursuit. Huff clobbered Gauvain and Tim Guelker promptly made the direct penalty kick good giving the Cougars all they needed to win.

Incidentally, this year's SIUE's victory over Eastern was the first (of five) in the tournament played by the two schools which was decided by more than one goal.

The Cougars' victory over Eastern was precious, too, to the Cougars because of the national rankings. Eastern, which saw its record drop to 2-0, is the only soccer team in the United States which has defeated the Mean Green of North Texas State, a 1-0 victory over Indiana U., the nation's No. 3 team, at least prior to yesterday's (Sunday) meeting between Indiana and St. Louis U. at Bloomington, Ind.

After the Guelker's quick goal, the game settled down to a battle of attrition and of hard hits. Then at 24:16, Mike Gauvain put on a solo display of ball control and scored unassisted.

Comets drub Madison

Special to the Press-Record
GREENVILLE — Boom! Just like that, the Greenville Comets lowered the boom on Madison's football Trojans here Friday night, scoring 33 points in the second half enroute to an easy 45-14 victory.

Even though Madison trailed at halftime 12-0, that wasn't enough to send Trojan coach Al von Der Haar's troops packing — yet. But the Comets came alive in the third quarter with 14 points and added 19 in the fourth period.

In fact, the score was 20-0 in that third quarter before Madison got on the scoreboard. Trojan Willie Ball scampers in from the five yard line to make it 20-6. The extra point kick attempt failed.

The only other Madison scoring drive came late in the game when Volter ran it in from the one yard line. Jones passed to Kenny Briggs for the two point conversion.

The non-conference loss dropped Madison's won-lost record to 2-3 on the season. Greenville upped its mark to 3-2. The Comets scored first on a Jeff Jordahl one yard run. Second on a Jordahl five yard run and third on a Jordahl one yard run.

Other Greenville touchdowns were scored by Gordon Johnson, Greg Leitschuh and two by Jeff Irwin.

Next weekend, the Trojans will travel to East St. Louis Assumption for a Quad County Conference game beginning Saturday at 1 p.m.

Kinser feature winner

By JEFF EAVES
For the Press-Record
GRANITE CITY — The reigning "King of the Outlaws," Steve Kinser, of Bloomington, Ind., took the lead in turn three from pole-sitter Kenny Schrader of Ballwin, Mo. and Led from start to finish to win the 40-lap WoO (World of Outlaws) sprint car feature Sunday night at the Tri-City Speedway.

Kinser, driving the Gaerte engines-Kinser Bros. Stanton sprinter, started on the second row pole lapped the whole field except the second, third and fourth place cars won his 31st feature of the year and his 26th win in the WoO's.

The first yellow flag came out when Kenny Schrader nearly flipped his McDaniel Const., sprinter when he hit the third turn guard. Schrader was alright but his car was put out of the action.

On lap 16, Sonny Smyser of Lancaster, Mo., nearly flipped his car when he hit the inside fourth turn dirt mound and ended up right in the center of turn four.

Following Kinser at the finish of the 40-lapper were Jack Hewitt of Troy, Ohio, Bill Marshall of Arlington, Texas, Bobby Allen of Hanover, Pa., Dean Shirley of Middletown, Ill., Randy Schandridge of Springfield, Ill., Brad Renshaw of Carmi, Ill., Chuck Amati of Freeman Spur, Ill., and Manny Rockhold of Pekin, Ill.

Jack Zeigler of Marshall, Ill., won the 15-lap "B" feature over Chuck Amati, Marshall of Dallas, Texas, Tony Robertson of Shelbyville, Ill., and Ray Welbeck of Dallas, Texas.

Danny Smith of Hendersonville, Tenn., won the first heat over Bobby Marshall of Dallas, Texas, Bobby Davis Jr., of Memphis, Tenn., and Ron Standridge of Springfield, Ill.

Kenny Schrader won the second eight lap heat over Bob Thoman of Higginsville, Mo., Bob Kammerer of Ottawa, Ill., and Scott Weyant of Springfield, Ill. Kinser won the third heat over Jack Hewitt, John Kemp of Belle River, Ill., and Cliff Blundy of Metamora, Ill.

Tigers grind up Warriors to tune of 33-11

By TOM SCHOCKER
of the Press-Record
EDWARDSVILLE — When nothing has gone right all season long, a coach can only wait so long before he tries something new. Granite South head football coach Stan Wojcik has reached a point similar to this with his Warriors. However, trying something new doesn't always mean a victory.

South attempted to rectify its winless record at the expense of the Edwardsville Tigers Friday. Inserting a number of 'different' plays into the offense, Wojcik planned on catching the Tigers off-guard. But Edwardsville wasn't fooled, as it planted scores in every quarter, while running away from South 33-11.

The importance of this Gateway East Conference match was apparent, as the Warriors looked like they wanted to get back into the race and their season. Taking the opening kickoff, South was unstoppable, posting an early field goal and the lead.

Mark Marsh helped the Warrior situation when he took the opening boot 48 yards to the Tiger 37 yard line. From there it took South nine plays and a couple of penalties before Mike Zikovich connected for a 31 yard field goal. An early lead that was to last only six minutes.

The Tigers cranked up their offense and quick. "We

knew what they were going to do," said Wojcik. "But South couldn't stop them. Using the legs of Senior Halfback Morris White, Edwardsville struck hard. White ran through the Warrior defensive line, totaling 111 yards on the ground. In fact, all the Tigers who handled the pigskin had relatively little trouble gaining yardage. Edwardsville out-distanced South by more than four to one on the ground, 201 to 46.

"We just can't right at them," said Tiger head coach Dick Ford. "(Morris) White has come a long way. He also ran a long way, when he broke open for a 69 yard touchdown run in the first quarter. The gap was only the fourth play in the series for the Tigers and it took just two minutes.

But it seemed it was the big play that haunted the Warriors. Edwardsville got the ball back two minutes later and quickly increased its advantage. This time, Tiger quarterback Mike DeLeonardis found Kevin Mosby on a 64 yard pass reception.

"We would hold them for three downs," said Wojcik, "and then they would get break and have a first and ten. I can't explain it. Something is going to have to break our way one of these games."

South had the opportunities, but just couldn't find the end zone. Rich Dally

gave the Warriors a golden chance when he grabbed a tipped pass from quarterback John Linhart and raced 39 yards in the opening period. Dally was South's leading receiver with 81 yards on six catches.

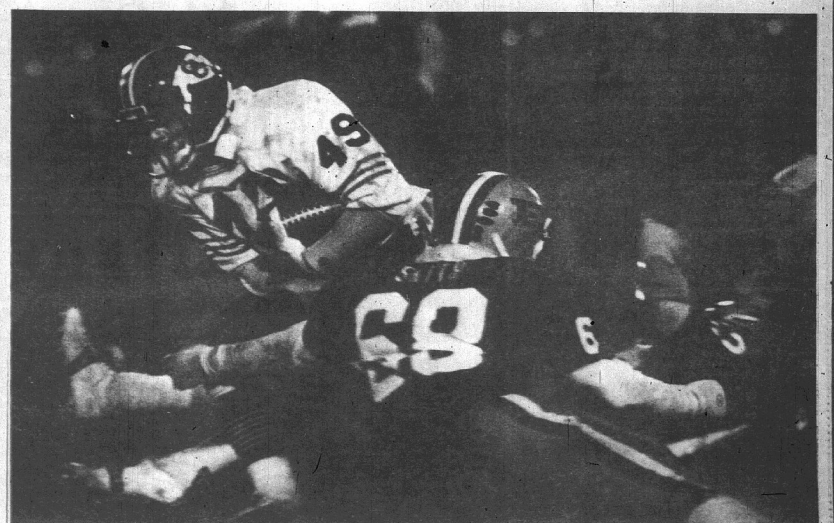

The Warriors even went as far as to execute some razzle-dazzle. Using the shotgun formation and the halfback pass, South tried almost everything to get the ball over the goal line.

"They (Edwardsville) played good defense," said Wojcik. "We used the pass to try and spread them out, so we could run the ball, but they made the adjustments and shut that down." In fact, the Tiger defense was so stingy, they caught Linhart behind the line of scrimmage six times for a total loss of 44 yards. "They know what you're doing. You have to try something different."

The Warriors passed for a total of 118 yards as Linhart connected on 12 passes. The Tigers again surpassed this mark with 153 yards in the air on only six receptions.

Edwardsville was not forced into using an alternate means in which to score. They just scored. Tacking on another touchdown in the third quarter was a 35 yard pass to Brian Hammond, the Tigers put the contest away when they scored 15 additional points in the final period. "They

Comeback gives South victory in round two

By PETE HAYES
Sports Editor

GRANITE CITY—It was all there at Granite City North's soccer field Thursday night. The crowd, the banners, the cheerleaders, the drums, the music, the flags. All the hoopla that goes with a Granite City North-South soccer game. But in the end, all the hoopla didn't amount to a thing. It was the game that was important. And the game was typically North-South, too. "There's too much importance placed on this game," said one fan. "I'd like to see them play each other on a Sunday morning at 9 o'clock somewhere in Indiana and not tell anybody. Then there wouldn't be all this pressure on

the kids. It's just a game. That's the bottom line."

South came from behind to edge North 2-1 and claim the second round of the annual battle between the two schools. Last month, South beat North 2-0 in a game that was far from being the usual knock-down, drag-out affair the two usually have. Thursday, however, was a different story. North shocked the Warriors by scoring the first goal of the game. That goal could have spelled doom for South. Steeler Paul Barrington scored the goal after South goalie Jo LeMaster mishandled the ball in front of the goal. A high pass toward LeMaster was whipped by the wind. As he bent over to scoop it off the ground, he heard

Barrington's footsteps pounding toward him. "I think he (LeMaster) was trying to watch Barrington and the ball at the same time," said South coach Gene Baker. "It was just a matter of inexperience." The ball went under LeMaster's hands and bounced high in the air behind him. Barrington hurdled the stunned goalie and there he stood, with nothing between him and the net but the ball. He booted it in and like a bolt of lightning, North led 1-0 with 11:44 remaining in the first quarter. "I think LeMaster was afraid Barrington wasn't going to stop," said North coach Bob Kehoe. "It took his attention away from the ball."

The North goal came after several good scoring opportunities at the other end of the field that the Warriors had failed to capitalize on. Partly because of bad shots, but more often than not because of excellent goalkeeping by Rob Chapman.

On at least three separate occasions, Chapman robbed South of what appeared to be easy goals. On once occasion, Warrior David Fernandez had a wide open net staring him in the face from about five feet away when he got a pass from teammate Robbie Mann. He shot the ball toward the net, but Chapman came out of nowhere to kick the ball out. He resembled an ice hockey goalie. "Rob had a super game," said Kehoe. "He made some difficult saves. I don't fault him on South's goals at all."

South tied the score on probably one of its most innocent-looking plays. From about 25 yards out, Fernandez chipped the ball over the heads of the North defenders and over Chapman's head into the net. Chapman, who appeared to be partially screened on the play, was stunned. "David (Fernandez) likes to chip the ball over the defenders and into the no-man's land between them and the goalie," said Kehoe. "It looked like Rob knew it and came out a little too early to grab the ball. David saw him and put a little more into his chip."

Suddenly, the Warriors hand regained the momentum. "I think that goal took a little out of us," said Kehoe. "We didn't let down completely, of course, but I don't think we played as well after the goal."

South, even though it had the momentum, still was not able to dominate the Steelers as they've been able to dominate other teams this season. "I thought we took the game to them a little more this time than the last time we played them," said Kehoe. "We had a little talk after our first game with them and we talked about standing around and letting them (South) do most of the playing. I don't think we let them do that this time."

Cougar wrestlers to meet

By DAVE CAUSEY
For the Press-Record
EDWARDSVILLE—The Southern Illinois University at Edwardsville varsity wrestling squad will hold a team meeting Monday, Oct. 6, in Room 0207 of Classroom Building II, at 3:30 p.m. "Any student at SIUE interested in participating in wrestling this season should attend," said Larry Kristoff,

the Cougars' veteran head coach. Kristoff has put together another tough schedule, including NCAA Division I powerhouse Oklahoma State. He has scheduled eight home meets this year, substantially more than in the past. Some of the teams the Cougars will host are: California State at Bakersfield, which has won four of

the last five NCAA Division II titles; cross-state rival Eastern Illinois, which is a favorite for the title this season; the University of Missouri at Columbia; and the south's top team, the Louisiana State Tigers. The Cougars will have to replace a pair of All-Americans lost last year by graduation—128-pound Bret Means and 158-pound Tim

Napier, the NCAA Division II runner-up in 1979. Kristoff does return three All-Americans, however, led by 118-pound Tom Reed, 142-pound Tim Ervin, and 177-pound Norm Mitchell. Each placed third in his respective weight class at the NCAA Division II national championships last season and each is a senior. They have already won seven All-

American awards between them, so Kristoff expects them to perform well this season.

The Cougars' first home meet of the year will be Dec. 3, when they host the Fighting Leathernecks of Western Illinois. The meet will be at 7:30 p.m. in the University Center.

McKee doing well on SIU field hockey team

By DEE FRUENDL
For the Press-Record
EDWARDSVILLE

Laura McKee started playing field hockey because she did not like volleyball or cross-country and wanted to play sports her freshman year at Granite City North High School. Now she is playing left half-back for the Southern Illinois University at Edwardsville Cougars.

"I enjoy playing the game, and it is a lot of fun, so I just started playing and stayed with it. It was like an adventure to try to play some new sport and then really liking it and wanting to do well," she said.

"This year is different for McKee. Because center fullback Brenda Schrage graduated last

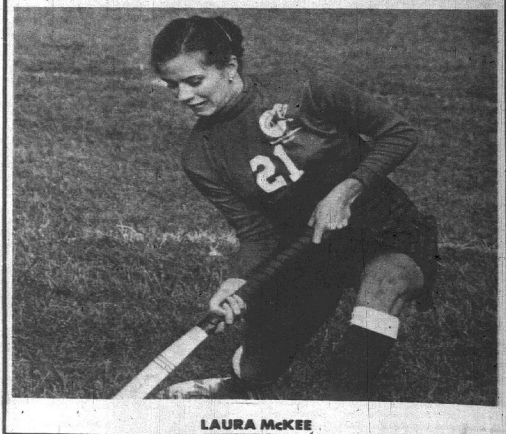

year and Maggie Dye took over the position. "Maggie has a different style than B.J. had, but I got used to it fast and we work well together, on defense," said McKee. "McKee is a good defensive player. She never gives up, and she keeps fighting till the ball is under control. She plays her position well," said Coach Diana Hedrick.

The Cougars played in a camp situation this last weekend at Sauk Valley in Brooklyn, Mich. "McKee really played well last weekend. Her offensive play really is improving, she is starting to come through on the offensive end, and her defense is always strong, but she is really improving her offensive play," said Hedrick.

The Cougars won five and lost none at the camp. "Wisconsin was the toughest competition at the camp, specially since it was the fourth game of the day, but it was good play for us," said McKee about the weekend.

"My dad gives me a lot of incentive in playing field hockey. He is always at every home game. I can always hear him yelling over everybody else and it really helps," said McKee.

The national Field Hockey tournament will be held at SIUE Nov. 19-22. "I want to get to Nationals just like everybody else, but my main goal is to beat Eastern Illinois University and to win state first. Eastern is our biggest rival and it would be nice to beat them both games this year," said McKee.

Tom Laufers mark 25 years

The Rev. and Mrs. (Pat) Lauffer of Alleman, Iowa, celebrated their 25th wedding anniversary at a reception given by their daughters, Kathleen, Jean and Mary Lynn Lauffer.

Guests were received by the honorees at the fellowship hall of Salem United Church of Christ in Alleman, where Rev. Lauffer serves as pastor. The women of the congregation were in charge of refreshments and a tiered cake decorated with blue roses was created by a member of the church for the honored couple.

Refreshments were served to approximately 300 guests. A unique exhibit was arranged displaying the wedding apparel of the couple, receipts for the wedding rings, refrigerator, wedding pictures and album and the first rent receipt. Included in the exhibit were pictures taken during the ensuing years of the couple and their family.

Rev. Lauffer has served at Zion Evangelical Church, Hoytston, Ill., St. John United Church of Christ at Maestown, Ill. and St. Paul United Church of Christ, Kokoka, Mo.

from Evansville, Ill. Mrs. Durell was accompanied to Alleman by her niece and her husband, Mr. and Mrs. Darwin Jackson of Evansville, Ind. Also attending were Mrs. Lillian Baumeier, an aunt of Mrs. Lauffer and her son, Richard of St. Louis.

Silver Bells host fish fry

The Silver Bells Senior Citizen Club held an annual fish fry at the Venice Recreation Center, last week, and also honored members observing their birthdays.

Honorees included Pearl Jackson, Pansy Jackson, Gladys Samuels, Pearl Brown, Helen King and Irene Vernon.

The Rev. Sammy Hooks opened the event with prayer followed by Pearl Jackson leading the group in song. A solo was by Janie Robinson and William Lowery directed the game.

Poems were read by Helen King and Pansy Jackson. Mrs. Minnie Giles served as chairman for the affair which was attended by 70 members.

Twin brothers mark birthday

A patio birthday party honoring twins, Elita Smalley of Granite City and Ed Graham of Greenville, Mo., was held at the home of Mr. and Mrs. Edgar Klebusch of Brentwood, Mo.

The twins, who celebrated their 70th birthday on Oct. 2 have not been together for their birthday in 63 years. A buffet luncheon and decorated cake was served to the following, their sister, Alpha Fencil of Fredericktown, Mo., brothers, Homer Graham of Fort Worth, Texas, Willard Graham and Walter Graham of Clubb, Mo., Bill Graham of Glen Allen, Mo., Mr. and Mrs. Arnold Graham and daughter, Laquita, of St. Louis, Mr. and Mrs. Jim McKinnon of Brentwood, Gloria Davis and daughter, Lori, Maynard Mercer, Mr. and Mrs. Phillip Mull Jr., Mr. and Mrs. Bill Smalley, Mr. and Mrs. Duane Smalley and son, Scott, all from Granite City.

Summer and fall weddings in Quad-City churches

MR. AND MRS. HOWARD CROWSON whose wedding took place at Central Free Methodist Church in Pontoon Beach. A daughter of Mr. and Mrs. Robert Proffitt, 2603 Nameoki Drive, the bride is the former Regina Proffitt.

Regina Proffitt and Howard Crowson wed

Wedding vows were exchanged by Miss Regina Proffitt and Howard Lee Crowson in a double ring ceremony on Sept. 13 at Central Free Methodist Church, 4150 South St., Pontoon Beach.

The Rev. H. R. Schuetz assisted by the Rev. Carroll Morris performed the service at 7 o'clock in the evening before an altar decorated with white floral arrangements and greenery flanked by burning tapers.

Organist David Long, a cousin of the bride, accompanied Debbie Milton as she sang, "My Sweet Lady." The bride's father, Mr. Robert Proffitt, 2603 Nameoki Drive, Parents of the groom are Mr. and Mrs. Ross Crowson, Rural Route One, Dow, Ill.

Escorted to the altar by her father, the former Miss Proffitt wore a full length white organza gown designed with a high Chantilly neckline sheer yoke, edged in matching lace and full sheer sleeves terminating at the wrists, with wide lace cuffs.

A lace Juliet cap held in place her lace bordered veil of bridal illusion and she held a bouquet of white carnations, white daisies, pastel color forget-me-nots, tied with white lace streamers.

Miss Marcia Thompson served as maid of honor and Miss Gina Sava and Mrs. Kelly Dillard, a sister of the groom, were bridesmaids. They selected identical style organza dresses fashioned with long sleeves set into fitted bodices, sheer yokes and high necklines in rainbow colors yellow, blue and pink.

The slightly full skirts

MR. AND MRS. RICHARD BUNCH.

They were married in a candlelight ceremony at Niedringhaus United Methodist Church. She is the former Regina Jones, daughter of Mr. and Mrs. Jim D. Jones, 78 Shirwin Drive.

Regina Jones married in evening ceremony

Miss Regina Jones, daughter of Mr. and Mrs. Jim D. Jones, 78 Shirwin Drive, became the bride of Richard Bunch, son of Mr. and Mrs. Lewis Bunch, 1855 Spring Ave., on Sept. 27 at Niedringhaus United Methodist Church, on the 27th wedding anniversary of the groom's parents.

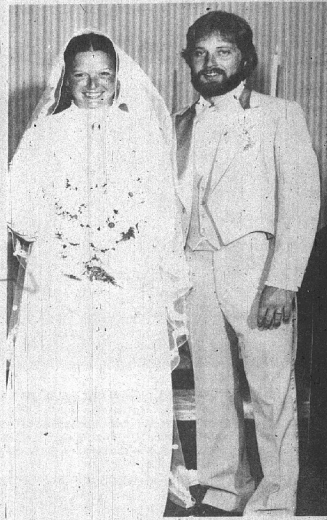

Burning tapers and summer bouquets decorated the sanctuary for the double ring ceremony performed by the Rev. Louis Frick at 7 o'clock in the evening.

Organ and flute selections were provided by Gregg Schubert who also accompanied the soloist, Michael Thompson, as he sang, "Sometimes," "The Wedding Song," and "The Lord's Prayer."

Given in marriage by her father, the bride chose a white organza gown fashioned in an empire silhouette. The Queen Anne neckline was etched with pearls, the bodice was of reembodyered Alencon lace and the long sleeves were cuffed with pleated lace.

A deep pleated flounce encircled the semi full skirt and full sweeping train.

She wore a lace cap embellished with pearls to secure a double fingertip veil edged with scallop lace. Her bridal bouquet was a cascade of white roses, miniature carnations with stephanotis and baby's breath.

MR. AND MRS. CARL DAKE JR.

They were united in marriage in a ceremony at the Religious Center of Southern Illinois University at Edwardsville. Formerly Miss Connie Kirby, the bride is the daughter of Mr. and Mrs. Howard Kirby, Collinsville.

Connie Kirby becomes Mrs. Carl Dake Jr.

The Religious Center at Southern Illinois University at Edwardsville, provided the scene for the July 26 wedding of Miss Connie Kirby, daughter of Mr. and Mrs. Howard Kirby, 104 Creekside Drive, Collinsville, and Carl Dake Jr., son of Mr. and Mrs. Carl Dake, 650 Ashland Ave.

Karen Thompson and Susan Hancock soloists were accompanied by Mary Ferguson at the piano.

The Rev. John Grisham officiated at the 6:30 evening ceremony.

Escorted by her father, the bride wore an old fashioned style gown fashioned with a high neckline of white lace, and empire bodice and white satin accented pleated skirt.

Lace floral motifs accented the dress and cathedral length veil. She carried a bouquet of white carnations intermingled with blue, pink and yellow spoon daisies.

Glenda Thompson of Collinsville was maid of honor and the bridesmaid was Robin Ratayski of Kell.

Out of town guests were from Carlinville, Ill., Chicago, Alton, and Festus, Mo., and relatives of the groom who were Methodist missionaries home on leave from their post in New Guinea.

Both are graduates of North High School. The bride is employed at Pet, Inc., and the groom works in construction.

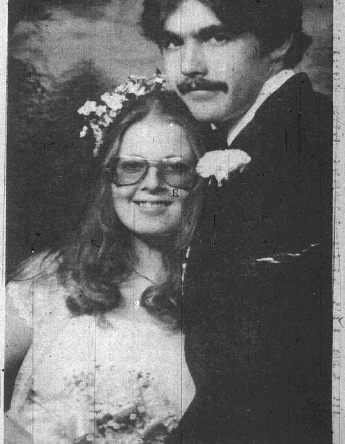

After a wedding trip to an undisclosed destination the newlyweds are now residing in Granite City.

Both are graduates of North High School. The bride is employed at Pet, Inc., and the groom works in construction.

Following a wedding trip to Naples, Fla., and Disneyworld, the couple is now living at 525 Fleming St.

The bride graduated in 1974 from Collinsville High School and in 1979 from SIUE with a bachelor degree in Speech Communication; Theater, and Education and is a teacher at St. Anthony's High School in St. Louis.

A 1973 graduate of Granite City High School, the groom is presently employed at American Steel Foundries.

MR. AND MRS. WILLIAM COMBS.

She is the former Christine L. Kramer, daughter of Mr. and Mrs. James Kramer, 2914 Sunset Drive. The wedding took place at the Community Heights Assembly of God Church.

Roe-Bowler wedding at Nameoki Methodist

Miss Gay Lynn Bowler, daughter of Mr. and Mrs. Roger J. Bowler and Bradley Earl Roe, son of Mr. and Mrs. Ronald Roe, exchanged wedding vows on Sept. 5 at the Nameoki United Methodist Church.

Officiating ministers were the Rev. Eugene Seaman and the Rev. William Fester.

Nuptial selections included "Colour My World," "The Wedding Song," "Sunrise, Sunset," "If," "You Are So Beautiful To Me" and "Sometimes."

Soloists were Kathy and Steve Hoover and Marilyn Bernagis presided at the organ.

For her wedding, the former Miss Bowler selected a floor length gown of white organza, over taffeta enhanced with silk Venise lace on the fitted bodice, Queen Anne neckline and full bishop sleeves.

Her full skirt fell softly from the slightly high waistline and was accented with matching lace and a ruffled flounce which merged into a cathedral train.

She wore a fingertip veil of bridal illusion applied with lace motifs secured to a lace covered camolot headpiece.

Maid of honor was Miss Toni Simurda and the bridesmaids included Mrs. Pamela Burns, Miss Rhonda Roe, Miss Janine Roe and Miss Krissey Dickey.

MR. AND MRS. GEORGE C. MEADE

whose wedding ceremony was solemnized at St. John Lutheran Church. The bride is the former Debra Lynn Dacus, the daughter of Mr. and Mrs. William Dacus, 3016 Ash Ave.

Debra Lynn Dacus and George C. Meade wed

The wedding of Miss Debra Lynn Dacus, a daughter of Mr. and Mrs. William Dacus, 3016 Ash Ave., and George C. Meade, son of Mr. and Mrs. Doyle Meade, Grand Tower, Ill., was solemnized on Sept. 13 at St. John Lutheran Church.

Pastor David Fielding officiated at the double ring ceremony at 4 o'clock in the afternoon.

White satin bows marked the pews and bouquets of summer flowers adorned the altar.

Wedding music was provided by the church organist.

The bride wore a formal length Chantilly lace over taffeta gown designed with an oval neckline, long tapered sleeves and fitted bodice enhanced with sequins and pearls.

Her bouffant tier skirt extended into a cathedral length train.

She wore a camolot headpiece of pearls to hold in place her veil of bridal illusion edged in matching lace.

Maid of honor Miss Laura Pinnon chose a peasant style blue lace dress enhanced

with a ruffle at the neckline and flounced skirt.

The bridesmaids, Tina Rainwater and Karen Daugherty and the flower girl, Susan Ledbetter, a cousin of the bride, wore identical gowns in yellow lace.

Alan Ledbetter, a cousin of the bride, was the ringbearer.

The groom chose Ron Daugherty as best man, Alan Ledbetter Sr. and Robert Ledbetter, uncles of the bride, Jim Daugherty and Dewayne Medlin, the bride's cousin, completed the corps of groomsmen and ushers.

A rehearsal dinner was held at 7 p.m. Cambridge Drive, the home of the groom, and the reception was hosted at the American Legion Hall.

The bride is a 1979 graduate of both South High School and Granite City School of Beauty Culture and is employed as a beautician.

Her husband was graduated in 1971 from South High School and works as a crane operator for Southwest Steel in Madison.

They are residing in Granite City.

Christine Kramer weds William H. T. Combs

The Rev. Jeffery Smith performed a wedding ceremony on Sept. 20 at the Community Heights Assembly of God Church uniting in marriage Miss Christine L. Kramer and William H. T. Combs.

Parents of the bride are Mr. and Mrs. James Kramer, 2914 Sunset Drive. The groom is the son of Mr. and Mrs. Kermit Combs, Combs, Ky.

For her wedding, the bride wore a white dress fashioned with a square neckline and sleeveless bodice complemented with a sheer reembodyered coat created with short cap sleeves.

She wore a halo of summer flowers in her hair and her nosegay bouquet was composed of white blossoms and baby's breath encircled with scallop lace.

Attending the bride as matron of honor was Mrs. William E. Null.

The groom chose William E. Null as best man.

The former Miss Kramer is a 1977 graduate of Granite City High School South. Her husband was graduated in 1977 from the high school in Combs, Ky.

CUSTOM MADE WHEELCHAIR by Electric City Limited, 1909 State State St., Granite City, has brought a new life to Barbara Picon, 14, of Keokuk, Iowa, who visited relatives here and learned to use the chair from Sam Grace who operates Electric City.

Handicapped girl obtains electric-driven unit here

Life begins anew for 14-year-old Barbara Picon on the "Happy Wanderer" electric wheelchair.

Barbara is the daughter of Mr. and Mrs. Bradford Picon of Keokuk, Iowa, and is a typical teenager whose favorite past-time is listening to music. Her favorite group is the Bee Gees and her idol is Darryl Omond.

Barbara has a disease of the spine called "Spinahifida" which has caused her to be paralyzed all of her life. She is confined to lying on her stomach at all times, but this has not dampened her enthusiasm. She is one of the brightest, loveliest young ladies and has a captivating smile. She

has accepted her handicap in a most unique way.

For the first time in her life she is able to get around all by herself on the "Happy Wanderer" wheelchair, purchased at Electric City Limited, 1909 State St., Granite City.

The wheelchair, has so transformed her life, Barbara says, "Who says handicapped people can't have fun?"

The wheelchair was purchased and remodeled for Barbara by several relatives and friends. These involved in this project to make a young girl happy included Richard and Betty McCarl, Rick McCarl, Charlie and Kathy Stephens,

Chuck and Vicki Mitchell, Shirley Evans, Dennis Bailey, Bill and Joyce Hoyt and her parents, Bradford and Pat Picon.

Sam Grace of Electric City Limited instructed the family on how to suit the device to fit Barbara's needs.

Barbara and her family were in the area recently at the home of Charlie and Kathy Stephens where she had the opportunity to visit the St. Louis Arch and other places of interest for the first time.

A truly remarkable girl, Barbara will be leading the handicapped in a parade in her hometown of Keokuk later this month.

Cuppett-DeHart betrothal

Announcement is being made of the engagement of Miss Valerie Linn DeHart, a daughter of Mrs. Margie DeHart, 7305 Northern Drive, Belleville, and the late Alvin Cuppett, 45 Bellevue, Collinsville.

The prospective groom is the son of Mr. and Mrs. Elwood Cuppett Jr., 120 Central Ave.

Plans are being completed by the engaged couple for a Nov. 14 wedding to be held at the First Church of the Nazarene in Collinsville.

Miss DeHart graduated in 1977 from Belleville Township High School West and in 1978 from Hickey School of Business in

Clayton, Mo. She is employed as a legal secretary by Evans & Dixon, attorneys at law, St. Louis.

Her fiancé is a 1975 graduate of Southern Illinois University at Edwardsville, where he received a Bachelor of Arts Degree in chemistry-biology. He began graduate school at SIUE and will receive his Master of Science Degree this fall.

He plans to continue his graduate work at Pennsylvania State University leading to a Ph.D. Degree in chemistry. The groom-elect was previously employed as a chemist in the test department at Missouri Pacific Railroad from 1975 to 1979.

Webster PTA opens season

Mrs. Loretta Wilson, president of Webster School PTA, opened the initial session by introducing the school principal, James Jeffries who in turn presented teachers in attendance and other PTA officers.

Officers for the 1980-81 season include Mrs. Wilson, Dan McDowell, vice-president, Donna Milton, secretary and Patricia Wirtz, treasurer.

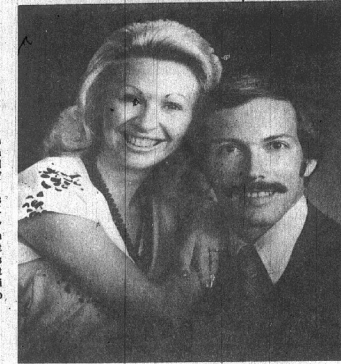

Mrs. Betty Hardison was appointed chairman of the membership committee. She reported there are 83 members and dues are set at \$1 for the year.

Mrs. Wilson announced the next fund raising project will be the sale of flotation type candles costing \$3.95 each. Students will be participating in the event and prizes will be awarded to the top salesmen.

The annual "Spook Carnival" is scheduled for Oct. 24 at the school, the president noted.

During the meeting Dawn Oliver and Betty Hardison were named delegates to the Area PTA Council.

A school board representative will be the guest speaker at the Oct. 20 meeting at 7:15 p.m., and will speak on the forthcoming school bond issue, the president added.

ENGAGED. Miss Valerie Linn DeHart and her fiancé, Stephen Paul Cuppett whose engagement is being announced. She is the daughter of Mrs. Margie DeHart of Belleville, and the late Alvin DeHart. A Nov. 14 wedding is planned.

Church circles install officers

The Ella Mae and Night Circle Missionary groups of Mount Zion General Baptist Church met together at an autumn banquet held at Bill Burns Restaurant to install officers of both organizations.

Verna Williams served as mistress of ceremonies and welcomed 36 members and guests and representatives of the Girl Guides.

A skit was presented by Carolyn Taylor and Mrs. Jerry Malone entitled, "The Crop Duster," followed by several gospel songs by the Mount Zion Trio.

Games were played and a prize awarded to Mrs. Mae Garrison, a guest from North City, Ill.

Guest speaker, Mrs. Malone, spoke on the topic, "Women On the Go For God."

Mrs. Harriet Phelps was voted "woman of the year" during the event.

HOMEMAKERS. Mrs. Alma Beckman, Mrs. LaNell Lessig and Mrs. Elizabeth Schmidt, all members of the Granite City Unit, attended the 44th annual National Extension Homemakers Council conference in Biloxi, Miss.

Homemakers attend national convention

Mrs. Alma Beckmann, Mrs. LaNell Lessig and Mrs. Elizabeth Schmidt, all members of the Granite City Unit, Madison County Extension Association, were among 2,500 women who traveled to Biloxi, Miss., for the 44th annual National Extension Homemakers Council conference.

The three local women represented the Southwest District of Madison County Homemakers Extension. They also toured New Orleans before returning home.

Illinois was represented by 70 members, 11 from Madison County, the local delegates noted.

"Experience Opportunities, Encourage Growth, Explore Possibilities" was the theme of the convention held at the Mississippi Coast Coliseum and Convention Center.

Delegates represented some 600,000 national extension homemakers council members in 41 states, Puerto Rico and the Virgin Islands.

Members of the Mississippi Extension Homemakers Council served as hostesses.

Keynote speaker was Jim Giv Tucker, chairman of the White House Conference on Families, who spoke on the "White House Conference: Issues and Recommendations."

Workshops and learning sessions dealt with specific subjects of interest to NEHC members including such topics, citizenship and community outreach, cultural arts, clothing and textiles, family relationships and child development, family resource management, health, food and nutrition, housing, energy and environment, international concerns, membership, public relations, and safety and emergency preparedness.

Trade show exhibits and cultural arts exhibits attracted a large number of viewers. An awards session honored 50-year members and those groups and individuals winning national awards. Special tours included an excursion to Ship Island, a tour of the National Space Technology Laboratory, a seafood and industry tour and a south Mississippi agricultural tour.

Fast progress by Illinois in converting to gasoline

The federal Energy Department is fast getting a reputation as an agency that spends much, accomplishes little, and often worsens rather than eases the fuel supply problem. In contrast, the Illinois state government has been making rapid strides in its energy conservation efforts.

An example is the conversion of the state automotive fleet to gasoline, completed on schedule; the one-year plan was announced last November. Gasoline consists of 90 percent gasoline and 10 percent alcohol.

Of the eight million gallons of motor fuel expected to be pumped at state fuel sites during the July 1980-June 1981 year, about 97 percent of the total volume will be gasoline. The only exceptions are isolated areas, such as Department of Conservation outposts, and locations which pump only small amounts of fuel.

In addition to the fuel dispensed at state stations, Illinois governmental vehicles also will obtain another five million gallons at retail stations; these purchases, wherever possible, will be gasoline.

Made partly from Illinois-grown farm products rather than from Organization of Petroleum Exporting Countries oil, gasoline in test situations has provided better mileage and lower emissions by burning cleaner than gasoline. Periodic examinations of gasoline-fueled state

vehicles have shown an absence of carbon deposits, an improvement which can result in fewer engine tune-ups.

In the 1979-80 fiscal year, 32 percent of the motor fuel pumped at state fuel stations was gasoline. Use of gasoline in 1980-81 by the state government will rise sharply and is expected to conserve about 70,000 gallons of gasoline.

There are 10,000 licensed vehicles and 5,000 unlicensed off-road vehicles in the state fleet. To assist drivers in finding retail locations where gasoline is available, the Department of Administrative Services maintains and circulates a list of them.

Contracts to supply the state sites with motor fuel were awarded on July 1. All state pumping sites by now have exhausted their inventories of gasoline and have begun the exclusive use of gasoline.

Governor James Thompson comments that "by converting the state fleet to gasoline, Illinois is trying to set a good example for the business and industrial community and for neighboring states. We must do all we can to reverse America's dependence on overseas fuel."

To help persuade others, the state will make available for public examination the results of its gasoline use, including mileage comparisons, tune-up records and other factors.

Worry over commission's waterway shipping attitude

St. Paul-Minneapolis is a beautiful area. But its love for water-related recreation and its domination of the Upper Mississippi River Basin Commission continue to worry the St. Louis metropolitan area, which doesn't want the mighty Mississippi's role in inland shipping to be overlooked.

A new Waterways Journal article asserts that several persons or groups awarded contracts by the commission are predisposed against future water transportation uses of the river.

The Upper Mississippi commission is working on a master plan, as mandated by Section 101 of Public Law 95-502. This summer, contracts totaling \$3,500,000 were awarded for work on this plan; the tasks are to be completed this fall.

The Sierra Club has been granted \$50,000 for itself, the Environmental Policy Center and the Izaak Walton League to conduct a "river country voices project."

This sounds good to the Sierra Club, but it will be recalled that the Sierra Club and Izaak Walton League were the two groups which joined with 40 western railroads in the suit against the Army secretary, seeking to block construction of a new Alton lock and dam. Can they really be objective on local waterway issues?

The litigation referred to lasted 62

months before being decided in favor of the Corps of Engineers in October 1979.

The commission granted \$15,371 to Dr. Richard E. Sparks, associate aquatic biologist, Illinois State Natural History Survey, to coordinate a study of "navigation and the river."

It is recalled that it was remembered that he appeared as a witness for the railroads and environmentalists in the U.S. District Court, District of Columbia, University of Wisconsin-Crosscase. He also appeared Sept. 11, 1979, in Judge Richey's court as a witness in opposition to the Congressionally-authorized lock and dam replacement project here.

Both the Waterways Journal and the American Waterways Operators say the pattern of contracts raises serious questions about the intentions of the Minnesota-based commission, which has also been trying to throw a monkey-wrench into planning for a second new Alton lock and dam. Can they really be objective on local waterway issues?

The litigation referred to lasted 62

Urges more death investigations

To the Editor:

The Republican Party, for corner, is offering a candidate with scientific training.

For our two-party system to function properly, we need the best people from both parties, so this is interesting.

I have been wondering what happens with the bodies of babies. Are they buried alive? Are they killed first? Are they used for experimental purposes? Are they sold for dog food?

A doctor in California aborted a husky baby who

fought for life, so the abortionist strangled the child, as the pediatrician testified in court. His lawyer confused the jury with double talk about "brain death," getting the killer off the hook, despite the evidence. The doctor was a physician with the knowledge and training given him to do good work, but he abused his special position.

We need a coroner with superior ability who will do the job. That is, investigate

mowers, then I think it is time for them to use their "smarts" and put the schools back in good repair.

After all, was the School board that has been leveling them run down and deteriorate, as they claim.

A big "No" vote is what is

needed to get those elected people to realize that the taxpayers are tired of their spending procedures.

We want our schools and city run efficiently, as they are supposed to be.

Will our incoming corner tell us what is happening to babies? All those little bodies are the legal responsibility of the corner.

They cannot be treated rightly or wrongly without the corner's acquiescence.

Opposes school repair election

To the Editor:

Let's vote "No" on the school bond issue.

If our School Board can vote themselves trips all over the country, and our City Council can approve bids of \$51 for 30-gallon trash cans and \$345 for lawn-

mowers, then I think it is time for them to use their "smarts" and put the schools back in good repair.

Supplemental pay cut at GC Steel

Continuing layoffs caused by the depressed economy and accompanying downturn in steel orders have drained Granite City Steel's Supplemental Unemployment Benefits (SUB) fund to the extent that benefits are being reduced for many employees.

Beginning this week — for SUB benefit weeks ending in October — benefit payments will be reduced to the 75 percent level for eligible employees with less than 20 years of service.

Eligible employees with 20 years of service and more will continue at the full SUB level. Laid off employees

generally are paid a combination of State Unemployment Compensation and SUB.

It is anticipated that benefit levels will be further reduced or even discontinued, depending on employment levels and the financial condition of the SUB fund.

A Granite City Steel spokesman said that company contributions are made to the SUB fund based on hours worked.

While work schedules vary from week to week, Granite City Steel layoffs have been averaging between 800 to 900 people for several months.

News notes

The Bi-State Development Agency is applying for a \$5,999,370 federal grant to buy 44 to 54 new buses. In an effort to curb vandalism, Bi-State has awarded a \$412,587 contract to the American Seating Co. to supply fiberglass seats for installation around the rear perimeter of 406 buses; perimeter seating will eliminate areas now driven from the view of bus drivers.

Governor James R. Thompson announced Friday he has reappointed Harold R. Fischer of Granite City, a retired banker, to the Tri-City Regional Port District board for a term ending May 31, 1983. The position is unsalaried and does not require Senate confirmation.

Madison County State's Attorney Thomas Byron is failing to provide justice to crime victims, it was alleged today by his Nov. 4 election opponent, Don Weber, who cited dismissal of nine of 36 current felony cases, including three dismissed homicide cases. Weber received probation and only three went to prison, Weber contended.

The U. S. Consumer Product Safety Commission is recalling 87,000 additional hair dyes manufactured with asbestos heat shields or liners; the recalls are being conducted voluntarily by K-Mart, Rolf Brauchli, Inc., Nino Originals and Select Beauty Brands. Initial UW drive report

How well is the fall 1980 campaign of the Tri-Cities Area United Way progressing? Initial answers will be given at a report on the campaign, Oct. 8.

The first report luncheon of the drive is set for 12 noon Wednesday at the YMCA, 2001 Edison Ave.

Also invited were State Sen. Sam Valadebe, and State Representative Sam Wolf. Everett Steele and Monroe Finn. A \$17,310 grant to repair the Cahokia trunk line, awarded three

months ago, could be lost, due to the district's inability to pay one-fourth of the cost of the road project. The grant was to fund three-fourths of the cost.

The sanitary district is requesting more extension to find sufficient funds for its share of the remainder of the project. Only about \$247,000 of the grant have been released by the U.S. Environmental Protection Agency.

Beautyicians Week opens at Moose

"America's Looking Beautiful" is the theme of the annual hairstyle and fashion show, held at 2 p.m. Sunday, Oct. 5, at the Granite City Moose Hall, 19th and Adams streets.

The public is invited to attend. Proceeds from the event will be donated to the Shrine's Burns Center, according to Naomi Gray and Loretta Brown, co-chairmen.

The show is sponsored each year as part of the National Cosmetology Week celebration and features the best in hair fashions and clothing styles.

During the week, more than 68,000 members of the National Hairdressers and Cosmetologists Association observe the occasion

throughout the nation by promoting special programs. Many groups provide services without charge at homes for senior citizens and children.

To launch the week in Granite City, Mayor Paul Schuler signed a proclamation.

The co-chairmen said, "Since cosmetologists and hairdressers today are versatile, skilled professionals, they are adept at serving all members of a family and we plan something for all family members in the show."

"So we hope everyone will come out, help to support the Shrine's Burns Center and learn how cosmetology can make life more beautiful for you," they added.

Break ground for new church

By VALERIE EVANDEN of the Press-Record
Groundbreaking ceremonies were held at 12 noon Sunday for the new Sts. Cyril and Method Eastern Orthodox Church at 4800 Maryville Road.

About 125 gathered at the groundbreaking site to witness the blessing of the land by Eastern Orthodox Bishop Kyrill of Toledo, Ohio.

Upon completion, the new brick edifice will cost between \$200,000 and \$250,000.

During the ground-consecration service, Church President Constantine Michaeloff greeted Bishop Kyrill with an offering of bread and salt, the traditional signs of life and preservation.

Of great significance to those assembled was the placing of a cross in the ground at the approximate point where the Holy Altar table will be located in the sanctuary when the church building is completed.

Hierarchical Divine Liturgy was conducted by Bishop Kyrill at the Truller Building on Niederkirch Avenue, prior to the groundbreaking.

The congregation presently is holding services at that site.

Other church leaders attending the liturgy and consecration were Very Rev. Kiril Antonoff of

Youngstown, Ohio. Father Thomas Succarote of the Nativity of the Virgin Mary Eastern Orthodox Church in Madison and Father Daniel Gurovich, Sts. Cyril and Method parish priest.

Also present were Bill Pistrul, architect for the new church building, and Ralph Korte, contractor, both of Highland, and Dimitri Zonia, St. Louis artist, who is designing the interior.

Sts. Cyril and Method Eastern Orthodox Church will be situated on a four-acre tract, with 215' feet frontage on Maryville Road, extending 800 feet in depth.

The brick structure will be 38-by-70 feet in dimension, with an arched front canopy 20 feet square.

Donating the green clay tile roof will be a traditional dome, covered with brilliant metal and decorated with mosaic, which the nave is situated.

Construction of the new edifice should be completed within two to three months, depending on weather conditions, Michaeloff said today.

SCHNUCKS DIRECTOR

William Schnucks, former assistant director of loss prevention for Schnucks Markets, Inc., has been promoted to director of loss prevention. It was announced this week.

Mayor Schuler and two others injured

An auto driven by Granite City Mayor Paul Schuler, 49, and one driven by Paul E. Lokrone, 29, of Lot 148

Highway 111, collided at 11 a.m. Saturday at Illinois Highway 111 and Pontoon Road.

Schuler was admitted to St. Elizabeth Medical Center (SEMC) for observation and treatment of cuts and bruises and released on Sunday.

Lokrone and Mrs. Flora Worthen, the mayor's secretary and a passenger in the Schuler car, were both

admitted to SEMC for observation late Saturday evening.

Schuler's auto was making a left turn on Pontoon Road and the Lokrone auto was south bound on Highway 111, when the cars collided.

The Lokrone car, struck on the passenger side according to police, then hit and knocked over a traffic control signal.

Long Lake firemen were called to the scene and had to pry the passenger door off to free Mrs. Worthen, from the Schuler car, were both

Price meeting today with sanitary board

U.S. Congressman Melvin Price was to meet with officials of the Metro-East Sanitary District today in the district's office at 1801 Madison Ave., to discuss a federal grant for the sewer project.

Also invited were State Sen. Sam Valadebe, and State Representative Sam Wolf. Everett Steele and Monroe Finn. A \$17,310 grant to repair the Cahokia trunk line, awarded three

months ago, could be lost, due to the district's inability to pay one-fourth of the cost of the road project. The grant was to fund three-fourths of the cost.

The sanitary district is requesting more extension to find sufficient funds for its share of the remainder of the project. Only about \$247,000 of the grant have been released by the U.S. Environmental Protection Agency.

Containers holding acid were opened by the vandals.

The trophy case and trophies in the cafeteria were damaged and spray paint was sprayed on the walls and piano in the vocal room.

Obscenities were written on several hall walls and other items were also marked with red and gray spray paint and several fire extinguishers were emptied in the hallways and in various wall lockers, it was discovered. Many of the locks on wall lockers

were painted as were many of the water fountains.

Several students were in the building under teacher supervision on Sunday from 4 to 6:15 p.m. decorating the halls for homecoming week. The building was sealed at that time.

Several staff members said that they thought it was "obviously" not (High School) students because they knew right where to go to do the most damage. A damp pair of gloves with red and

Salvation Army recreation center opens Wednesday

The Salvation Army, East 23rd Street in Granite City, will have a grand opening of its community recreation center, under the direction of Elizabeth Neeley, Wednesday, Oct. 8, at 4:30 p.m.

The Salvation Army, a religious organization founded in London, England, in 1865 by William Booth, a Methodist minister, believes in "loving God with all your heart and your neighbor as yourself."

Operating under a military structure, it has always offered special assistance, economic help, community outreach and other forms of assistance. It has sought to adapt to changing times and the needs of a changing society, a spokesman said.

The community center will offer to young adults from age eight to 18 such activities as shuffleboard, table tennis, pool, table games, foosball, basketball and other organized sports.

The center hopes to plan trips and social occasions activities for young adults in the future.

Regular hours for the community center will be Monday, Wednesday, Thursday and Friday from 4:30 to 8:30 p.m. and Saturday, 12 noon to 5 p.m.

Refreshments will be offered to those attending the grand opening Wednesday at 4:30 p.m.

There will be a membership fee of \$5 per year. For information, Quad-Cityans may call 451-7979.

Armed robbery

A robber, armed with a chromed or nickel-plated revolver, took about \$75 from two attendants at Papa K's Pizza, 3208 Maryville Road, at 7:35 p.m. Sunday.

The robber, who was about 20 to 25 years old, entered the back door of the establishment, pointed the revolver at the two attendants and said, "Give me all your money," they related. When the two did not move quickly, the gunman cocked the gun.

The attendants then moved to the front of the store where they got money and the robber said, "Put it in a bag. That paper one will do," and he pointed at a paper bag in the counter, the victims related.

They complied, put the money in the bag and gave it to the robber, who then ordered them to lie on the floor, they told police. He then tore the telephone cord from the phone, stated, "Don't get up, and left through the rear door, according to official reports.

The robber was described as about 5 feet, 8 inches tall, weighing about 165 pounds, of medium build, having collar-length dark hair and a mustache and wearing a dark stocking cap and dark gloves.

A short time later, Pontoon Beach police reported that a young man of a similar description had just run from a Pontoon Beach squad car and was hiding in a field near Grigsby Junior High School on Cargill Road.

Officers flushed the youth from the field, but discovered he did not match the description of the robber. He was turned over to Pontoon Beach authorities to determine why he ran when the squad car approached.

NOTICE OF PUBLIC HEARING

RE: Service changes to be implemented December 1, 1980.

1. Notice is hereby given that a public hearing will be held by Bi-State Development Agency for the purpose of considering changes in bus service which are proposed to be implemented on December 1, 1980. The public hearing will be at the Ambassador Building, 411 North 7th Street, Room 1105, St. Louis, Missouri on Wednesday, November 12, 1980 at 7:00 p.m. The December 1, 1980 service changes are generally described below:

A. Description of Program:

This program is proposed to modify twenty-seven (27) Missouri routes.

a. Route one (1) local route:

No. 12 Florissant-McDonnell Orbit will be expanded to expand its service area.

b. Service frequency will be decreased on twenty-six (26) local and express routes.

Service frequency will decrease by one to five minutes during peak periods on the following routes:

Taylor (PM); No. 18 Broadway (AM); No. 49 Lindbergh; No. 52 Forest Express; No. 70 Grand; No. 74 Florissant (PM); No. 90 Hampton (PM); No. 93 Lindell; No. 96 Kingshighway; No. 20X Southside Express; No. 41X Northside Rapid; No. 52X Brentwood Express (PM); No. 80X Southampton Express; No. 91X Delmar Express (PM, westbound); No. 92 Jamieson Express; No. 93X Northside Express (PM); No. 94 Page Express (both flow and reverse flow directions); No. 104X Natural Bridge Express (PM); No. 105 South Grand Express; and No. 112X Shrewsbury Express.

Service frequency will decrease by seven to ten minutes on the No. 91X Delmar Express (PM, eastbound, 10 minutes); No. 74X Berkeley Rapid (AM, 10 minutes); No. 132X Ashby Rapid (AM, 8 minutes).

Service frequency will change on the No. 92 Florissant Hazelwood.

I. At the hearings, Bi-State Development Agency will afford an opportunity for interested persons or agencies to be heard with respect to the social, environmental, and economic aspects of the program. Interested persons may submit orally or in writing, evidence and recommendations with respect to said program.

II. Should the Urban Mass Transportation Administration (UMTA) prepare a formal statement of the environmental impact of the program, the availability of such statement from UMTA will be held for all interested parties for public application on dates listed above at 10:00 a.m. in the Conference Room, 1477 S. 39th Street, St. Louis, Missouri 63103.

Bi-State Development Agency does not engage in any school bus operation exclusively for the transportation of students or school personnel.

III. Should the Bi-State Development Agency will afford an opportunity for interested persons or agencies to be heard with respect to the social, environmental, and economic aspects of the program. Interested persons may submit orally or in writing, evidence and recommendations with respect to said program.

SEALED BIDS WANTED

Sealed bids will be received by the Bi-State Development Agency of the Missouri-Illinois Metropolitan District for the Purchase of Forklift Trucks and Shop Equipment.

The award to be let under these bids is subject to a financial assistance contract between the Agency and the U.S. Department of Transportation, Urban Mass Transportation Administration, and must conform to the requirements thereof.

Payment for procurement of above mentioned trucks and equipment will be made in accordance with U.S. DOT requirements. All bidders will be required to certify that they are not on the Comptroller General's list of ineligible contractors.

Each bid shall be in accordance with certain specifications as outlined in Bid Numbers 963 and 964 furnished for that purpose. Copies of the plans, specifications, and other bidding documents may be obtained at the Purchasing Division, 3869 Park Avenue, St. Louis, Missouri 63101.

SEALED BIDS: 963—Procurement of Forklift Trucks.

PRE-BID CONFERENCE: October 14, 1980, 10:00 a.m.

BID OPENING: November 7, 1980, 2:00 p.m.

SEALED BIDS: 964—Procurement of Shop Equipment.

PRE-BID CONFERENCE: October 15, 1980, 10:00 a.m.

BID OPENING: November 10, 1980, 2:00 p.m.

The Bi-State Development Agency hereby notifies all bidders that in regard to any contract entered into pursuant to this invitation to bid, a certificate of minority enterprise will be afforded full opportunity to submit bids and proposals in response, and will not be subject to discrimination on the basis of race, color, sex, age, physical handicap, or national origin in an award. All bidders will be required to comply with all applicable equal opportunity rules and regulations and equal opportunity policies and procedures established by the Bi-State Development Agency. Bidders must be prequalified with the Illinois Fair Employment Practices Commission, Public Contracting Division, 179 West Washington Street, Chicago, Illinois 60602, prior to the bid opening. This may be accomplished by submitting a completed IFPEP Form PC-1 to the Illinois Fair Employment Practices Commission for prequalification prior to bid opening. These forms are furnished with all bid specifications.

The Bi-State Development Agency solicits and encourages minority business enterprise participation with regard to this project. MBEs will be afforded full consideration of their responses and will not be subject to discrimination. Respondents will be required to comply with the Agency's Minority Business Program goal requirement where applicable.

Firms submitting bids will be requested to certify that they are not included on the U.S. Comptroller General's List of Persons currently debarred for violations of various public contracts.

Sealed bids will be received at the General Office of Bi-State Development Agency, 3869 Park Avenue, St. Louis, Missouri 63101, until 2:00 p.m., St. Louis Time on dates listed above and will be opened and read in public at 2:00 p.m., St. Louis Time on those dates listed. Any bid received after the time referred to above will not be considered and will be returned to the bidder unopened.

A pre-bid conference will be held for all interested parties on dates listed above at 10:00 a.m. in the Conference Room, 1477 S. 39th Street, St. Louis, Missouri 63103.

Bi-State reserves the right to accept any bid or reject any and all bids on such a basis as the Agency deems to be in its best interest, subject to regulations governing DOT assisted transit purchases which require this Agency to award to the lowest price, most responsive and responsible bidder. The Agency reserves the right to change quantity requirements, technical specifications, bid opening dates, etc. These changes will be transmitted to known prospective bidders through various bidders' addenda.
